## *POLO 37*

*37 Seasons in Waimanalo*

The 37th polo season will begin on June 18th. We begin 2023 season with the MacGregor Cup, *Noname vs Pupukea*.

This season we will have exciting challenges and adjustments to our traditional polo program. However we will endeavor to make Sunday polo in "NALO" country the enjoyable experience we have shared over the past 36 years.

On opening day Kahu Kaleo Patterson, will provide our traditional Hawaiian blessing of the field, our horses, players, grooms and our guests.

Throughout the season we will remember and honor the players who kept polo alive: Bob MacGregor, Enrique Zobel, Tommy Campos, Tuna Sampaio, Clark Reynolds, Bob Allen and Charlie Pietsch.

We will celebrate our legacy with the Wahine, Koru, Samurai, Campos and Ogawa Cup. In addition we celebrate our native culture with our Aloha Festival Tournament and also remember and honor our servicemen and women for their service with a special tribute to our Fallen Warriors. The favorite POLOWEEN Polo Tournament will bring the season to a close on October 29th.
